SEPTEMBER: happy new school year!

Welcome everybody to another year at SPH, and welcome especially to all of our new students in Year 7, Sixth Form and across the school. Prior to the second edition of the Philip Howard Insider in October, the Magazine Team thought we would drop in to keep you in the loop with school news and updates in this special September bulletin, as well as giving you a sneak peek at our plans for upcoming issues, and a few upcoming articles for you to look forward to. We wish everybody a great start to the year and look forward to seeing you all in October!
