SIXTH FORM

June 2020

St Philip Howard Sixth Form Leadership Team News

Just before half term, the Charity & Community Outreach Team from the Sixth Form Leadership Team ran two virtual Bingo nights to raise money for Chestnut Tree House, a children's hospice for Sussex, Brighton and South East Hampshire caring for 300 children and young adults from 0-19 years of age. One of the events was for teachers and the other was for the wider school community. Both had a great turn out and between the two the team raised over £1,250. During lockdown, Chestnut Tree House lost 70% of their fundraising, so this money is really appreciated. The Charity and Community Outreach Team want to give a massive thank you to everyone who took part and to everyone who helped us set up the event! Congratulations to all the winners as well!

Just a few of the people who took part.
